

Attention Red Lodge Country Club Estates Property Owners,

The association annual meeting has been planned for Sunday August 28, 2022. This year the meeting will include a picnic with food provided by the association from local caterer, Mas Taco. This event will take place at the Roosevelt Center, 519 S Broadway, Red Lodge. The picnic will be from 12:30-2pm outside and the meeting portion will be in the auditorium from 2-3:30pm.

Please RSVP to this event by responding to this email with the number attending. The Board of Directors looks forward to hosting this event. An agenda for the annual meeting will be posted on the website under announcements prior to the event.

The Board of Directors would also like to remind property owners to secure all trash cans within the association. As there have already been bear and other wildlife sited around the golf course. Remember to be cautious when out at night as property owners have encountered bears.

Thank you and see you in August,

RLCCE Board of Directors
