

Property Owners are reminded that they need to mow their property to ensure the grasses and weeds do not exceed 12 inches in height. There are many lots, especially in the Diamond C area that have not been mowed. Tall grasses and weeds are a fire hazard. In accordance with the City of Red Lodge Tall Grass Ordinance 939, lots that have not been mowed will be mowed by a city contractor and the property owner will be charged and fined by the City. Taking care of your property yourself will be much less expensive and stressful.

Please see a list of mowing companies under announcements on the website:
