

Dear Red Lodge Country Club Property Owners:

Below are four important links that we would like to share.

First, thank you to all property owners that mowed and maintained their properties throughout the summer. If you are concerned about an unmowed property you can report this directly to the City of Red Lodge. Click on the link below:

www.cityofredlodge.net/community/page/nuisance-weeds

To complete the nuisance weed reporting form you will need the address or Lot & Block number for the lot with the weeds. In Diamond C, most of the vacant lots have a small sign that has the L & B number.

As a reminder it is a good idea to set up your property/lot maintenance for Spring 2025 as landscapers in our area fill up quickly. Please click on the link below for a list of mowing companies:

If you are searching for an update on the Spires development, please click on link below for updates:

Also see the 8/12/24 BOD minutes, on our website redlodgecce.org, where Mayor Westwood addressed the potential Spires rezoning.

Thank you,

Board of Directors
